\* Max Data Length including special characters such as decimals.

Extract frequency – monthly

Extract criteria –

1. Include only active providers, meaning they have at least one active contract row as of the run date of the extract.
2. Include only active/effective outpatient rates (effective date and inactive date are greater than or equal to the run date of the extract).
3. Include rate amount only, and exclude records with percentage amount.
4. Sort by county code and provider ID.

Record/file type – Text Delimited

Field Delimiter: Vertical Bar |
