WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Report created on: 01JUN2025

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.

WISCONSIN MEDICAID

Note: Wisconsin implemented BadgerCare Plus on 2/01/2008. Because BadgerCare Plus simplified the eligibility determination, categories for Family Coverage were changed from sub-programs to types of individuals. This report shows the number of members certified by each county or tribe. The county of certification may or may not be the county of residence.
